TRUANCY WARNING NOTICE
Focus on the Future Attendance Office

NOTICE:

LAWS GOVERNING COMPULSATORY ATTENDANCE IN TEXAS SCHOOLS

Failure to comply with the laws governing compulsory attendance may result in legal action.

OFFICIAL NOTICE TO THE CHILD AND PERSON(S) STANDING IN PARENTAL RELATION TO THE CHILD:

Texas requires a child who is at least 6 years of age, or who is younger than 6 years of age and has previously been enrolled in first grade, and who has not yet reached his/her 18th birthday to attend school whether public or private unless exempt by Sec. 25.086. Students enrolled in pre-kindergarten or kindergarten shall attend school. Education code 25.085/Focus on the Future Training Center Policy.

Except as provided by Texas Education Code 25.092, a student may not be given credit for a class unless the student is in attendance for at least 90 percent of the days class is offered. Education Code 25.906/Focus on the Future Training Center Policy.

A parent/guardian commits an offence of thwarting compulsory attendance under Education Code Sec. 25.093, if, after having been warned in writing, a child has unexcused voluntary absences on 10 or more days or parts of days within a 6-month period or 3 or more days or parts of days within a 4-week period from school. (tardies are considered parts of days). An offense under this section is a Class C misdemeanor punishable by a fine not to exceed \$500. Education Code 25.093/Family Code 51.03 (b)(2) Penal Code 12.23.

A "failure to attend school" offence may be filed against any juvenile under Education Code 25.094 / Family Code 54.021, and on a finding that the child has engaged in truant conduct, a justice or municipal court may order 1) the child to attend GED preparatory classes; 2) the child to attend a special program, that the court determines to be in the best interest of the child, including an alcohol/ drug abuse program.; 3) the child and the parent/guardian to attend classes for students at risk of dropping out of school; 4) the child to complete reasonable community service; 5) the child's driver's license to be suspended; 6) the child to attend school without unexcused absences; and 7) the child to attend tutorials. Family Code 51.03(b)(2) & 54.021 (D) / Education Code 25.094.

A parent/guardian of a school age child has the responsibility to require that their child attend school regularly. When sickness or higher obligation necessitates an absence, a note signed by the parent/guardian explaining the reason for the absence is required the day Student returns to school. If a student fails to submit a note, the absence will be considered unexcused and the student will be allowed three (3) days to submit a written note excusing the absence.

A child not exempt from compulsory attendance laws may be excused for temporary absence, resulting from any unusual cause acceptable to Focus on the Future Director, or a teacher. The temporary absence may be the result of, but not limited to: 1) personal sickness; 2) family emergency; 3) religious holy day; 4) documented juvenile court proceeding; 5) Board-approved extracurricular activity; or 6) approved college visitation. Education Code 25.087 / Focus on the Future Training Center

When a student's absence for personal illness exceeds seven (7) cumulative days, the director may require a statement from a physician or health clinic verifying the illness or other condition requiring the student's extended absence from school (The school Administrator Assistant is available to verify an illness the day of the absence). The attendance committee may, if the student has established a questionable 's pattern of absences, also require a physician's or clinic's statement of illness after a single day's absence as a condition of classifying the absence as one for which there are extenuating circumstances. Focus on the Future Training Center Personal Illness Policy.

Absences such as vacations and trips (except those excused by the administration for unusual circumstances), babysitting, working (including modeling), and nonschool-sponsored athletic events and programs shall be considered unexcused. Focus on the Future Training Center Policy.

**GENERAL INFORMATION**

**Focus on the Future Training Center** welcomes you and your child to what is shaping up to be an exciting year full of learning for our students. Our staff would like to welcome you and encourage you to visit our school, which has an open door policy for parents, students and their families. In order to be able to offer our student an environment conducive to learning we kindly ask you to adhere to the following regulations.

1. Doors open at 8:50 every day, as teachers are in meetings before this time.
2. Visitors are always welcome, but we ask you to advise the school of your visit in order to minimize distractions to our students during their academic day, and to comply with confidentiality issues.
3. All classrooms have viewing windows for your convenience to help minimize distractions for our students. Visitors are not allowed in the classroom to minimize distractions.
4. If you would like to talk to a student in particular, or if you are a school district doing an observation, please let the front office know, and we will arrange a private place for you to observe the student.
5. Volunteers are welcomed. If you would like to volunteer at our school, please contact your child's teacher. **ALL VOLUNTEERS MUST COMPLY WITH DRUG TESTING, AND A CRIMINAL BACKGROUND CHECK PAID BY THE VOLUNTEER**

6. If you will be picking up your student early, or dropping him/her off late, we ask that you stop by the reception area where a teacher's assistant will meet you and escort the student to their classroom. We ask for your cooperation in this area. See (#1.)
7. If your child has food allergies, please give us a list of these allergies and provide us with the snacks that your child is allowed to have.
8. Students will have an hour for lunch. We use lunch times to teach students independent skills, so we ask that students bring their own lunch, in **marked** lunch boxes to school every day.
9. Students are encouraged to bring pocket change money to purchase snacks to help reinforce academic skills in community-based instruction. \$1.08 is enough for a daily purchase at the Dollar Tree store.
10. Teachers are available for conferences or meetings during their planning time. Teachers' planning time is at 8:00am prior to the beginning of school. The teachers must be in the classroom and ready to teach at 9:00am, so we ask that if you need to talk to a teacher when you bring your student to class, please see Brenda and she will make sure your message is related to your student's teacher.
11. Please label all of your child's belongings such as lunch pack, backpack, and school supplies, etc. **NO SACK LUNCHES PLEASE, ONLY LUNCH BOXES/BAGS.**
12. **Classes start promptly at 9:00 am.** Student must be in their classrooms at 9:00am ready to begin their day. If you arrive **before 9:00 am, you may walk your student to class** if you like, if you arrive **after 9:00am, the receptionist or a teacher will take your student to class, this helps in minimizing students' distractions.**
13. Please allow teachers to bring your student to the front after school. Some students are either using the bathroom, or doing their self-help skills, and we strive to preserve our children's dignity and respect by protecting their privacy.
14. Dress your student appropriately. No sandals, short skirts, short dresses, short blouses showing their navel, or short shorts are allowed. Parents will be called to bring an outfit for their student if any of the above-mentioned items are worn to school.
15. If a student has a temperature/fever of 100 degrees or more, or if he/she has vomited, Focus will call the student's parents for the student to be picked up from the school, with **NO exceptions.** This is done to protect not only the student who is sick, but also other students as well. Please note that **THE STUDENT MAY NOT RETURN TO SCHOOL FOR 24 HOURS, AND THAT A DOCTOR'S NOTE IS REQUIRED.** We understand the inconvenience of this policy, but we are required to follow this protocol as school districts do.
16. If you would like a school district to do an evaluation or visit your student at Focus, this request must be made at least two weeks in advance, and with the proper release of information from the parent. No in the classroom, observations will be allowed to minimize distractions for the other students in the class.
17. Scheduling and arrangements for school observations must be made between the district seeking the observation and Brenda Batts, Director of Focus on the Future Training Center. It is the district responsibility to contact Focus on the Future to arrange a time that would be most
18. Only one observer per student/ and a maximum of one hour will be approved from an outside school district to observe. When groups of people come to visit a student for extended periods of time, the other students' routine is at stake.

18

19. In order for another school district observation to take place, the administrator or Focus on the Future Training Center must be present. Please help us in adhering to the above-mentioned policies, as these policies are in place to protect not only your student's confidentiality, and learning environment, but that of the other students as well. Your consideration and the visiting school district's consideration in this area will be greatly appreciated.

## Statement of Agreement

I \_\_\_\_\_ have read, and agree with the policies and procedures contained in this package. I understand that these policies are in place to protect the confidentiality, health, safety, and learning environment son/daughter \_\_\_\_\_, as well as the confidentiality and learning environment of other students at Focus on the Future Training Center. Furthermore, if a student has a temperature/fever of 100 degrees or more, or if he/she has vomited, Focus will call the student's parents for the student to be picked up from the school, with **NO exceptions**. This is done to protect not only the student who is sick, but also other students as well. Please note that **THE STUDENT MAY NOT RETURN TO SCHOOL FOR 24 HOURS, AND THAT A DOCTOR'S NOTE IS REQUIRED**. We understand the inconvenience of this policy, but we are required to follow this protocol as school districts do.
